HEART2HEART
 amare[®] GLOBAL Mental Wellness Symposium 2019

Thursday, Sept. 5–Saturday, Sept. 7

Elizabeth Smart, Keynote Speaker

The abduction of Elizabeth Smart was one of the most followed child abduction cases of our time. At the tender age of 14, just before celebrating her middle school graduation, Elizabeth went to sleep in her family home just as she had always done. Awakened hours later, she was taken from her home and family and held captive for nine long months. Join us at this year's Heart2Heart Mental Wellness Symposium to hear Elizabeth share her incredible story of perseverance in the face of unimaginable adversity!

Steve Farber, Special Guest Speaker

Steve Farber is the president of Extreme Leadership, Inc., and the founder of The Extreme Leadership Institute. A subject-matter expert in business leadership and one of Inc.'s global Top 50 Leadership and Management Experts, Steve is a leadership speaker and a senior-level leadership coach and consultant. He has also written a variety of books in the leadership field, including the Wall Street Journal and USA Today bestseller, "Greater Than Yourself: The Ultimate Lesson In Leadership." Steve will be signing his newest book, "Love is Just Damn Good Business," at this special event!
