RISE TO SERVANT LEADER PROMOTION

Qualification Period: September 1, 2018 – December 31, 2019

The RISE to Servant Leader Promotion consist of three (3) different components. The following questions apply to qualifications for the RISE Promotion and include the Rank Advancement Bonuses and Minimum Monthly Income Guarantee Bonuses.

Q: What are the dates of the RISE promotion?

A: The qualification period for this promotion is from September 1, 2018 – December 31, 2019 at 12AM Pacific Time. Leaders who achieve the rank of Silver or above by December 2019 will be allowed to continue their qualification through June 2020.

Q: If I am an existing Wellness Partner, how can I participate in the RISE promotion?

A: All existing Wellness Partners and current Bronze and above may participate! The intention of RISE is to create expediency in people who join as Wellness Partners to maximize their earnings and activity in their first three (3) full calendar months after joining Amare. We know urgency will help them have better and quicker results in the business thus creating better retention.

- Existing Wellness Partners (Three Hearts or below) have from September 1, 2018 - January 31, 2019 to advance to the rank of Bronze or above and unlock the RISE promotion. Otherwise, it is NOT available to them moving forward. For instance, Jan is a Two Heart who enrolled in April 2018. She has until January 2019 to advance in rank to Bronze Heart to unlock RISE.
- Existing Bronze and above leaders are eligible to participate in this promotion but must advance to the next rank from their Highest Rank to unlock the RISE promotion. For instance, John is an existing Silver Heart (Highest Rank as of September 2018), and has until January 2019 to advance in rank to Gold Heart to unlock RISE.
- Continue to the next question for more information.

Q: What if I've only hit my highest rank for one month? Am I eligible to qualify for the Rank Advancement Bonuses and MMIG Bonus at my Highest Rank or must I advance in rank?

A: If you've only hit your Highest Rank one month during your Amare career, you can still participate in the RISE Promotion! To qualify, you must be paid as your Highest Rank by January 31, 2019, but you must HIT and HOLD your rank for two (2) months during the qualification period to receive the bonuses at that rank. Again, this only applies if you have achieved your highest rank one time historically. If you've been paid at your Highest Rank more than once, you must advance in rank by January 31, 2019 or HIT and HOLD the next rank to qualify for the RISE promotion at the new rank.

Q: If I am a new Wellness Partner, how can I participate in the RISE promotion?

A: To unlock the RISE promotion, you must achieve the rank of Bronze or above within your first three (3) full calendar months as a Wellness Partner.

- Existing or new Customers who upgrade to Wellness Partner can participate in RISE. They have the month they upgrade plus an additional three (3) calendar months to achieve the rank of Bronze or above to unlock the RISE promotion.

- Any new Wellness Partners who enroll during the qualification period has the month they enroll plus three (3) additional calendar months to achieve the rank of Bronze and unlock the RISE promotion.

Q: What happens after I unlock the RISE Promotion?

A: Once you unlock RISE, you can earn the Minimum Monthly Income Guarantee (MMIG), but you must advance or HIT and rank to Silver or above and HOLD the rank for a second qualifying month. This means, once you HIT the rank, you must HOLD it for one additional month (for a total of 2 months) before any bonuses are paid. The same applies to the one-time Rank Advancement bonuses which are paid at the Gold Mentor through Servant Leader ranks.

For instance, Lisa HITS the rank of Gold Mentor in October and HOLDS it in November, she would be paid the Rank Advancement Bonus and Minimum Monthly Income Guarantee with her November Month-End Commissions paid on December 15th.

Q: Do the HIT and HOLD months have to be consecutive in order to qualify for RISE?

A: No, they can be non-consecutive months.

For instance, Mary HITS the rank of Gold in October, is paid as Silver in November, and achieves the rank of Gold again in December, she would be paid the Gold Rank Advancement Bonus and at the Gold MMIG level with December Month-End Commission paid on January 15th.

RANK ADVANCEMENT BONUS (PAID ONE TIME)

Qualification Period: September 1, 2018 – December 31, 2019

Q: At what rank do I start qualifying for the Rank Advancement Bonuses in the RISE Promotion?

A: The one-time Rank Advancement Bonuses are paid from the Gold Mentor through the Servant Leader ranks.

Q: What ranks are eligible to get this bonus?

A: Eligible rank are Gold, Platinum, Leader, Senior Leader, Executive Leader and Servant Leader.

Q: If I jump multiple ranks in a month, do I get paid each of the Rank Advancement Bonuses?

A: Yes, you would have to HIT and HOLD the qualifying rank for two (2) months and all the bonuses would be paid cumulatively.

For instance, if Stacy goes from Silver to Platinum in January and she HOLDS the rank of Platinum in February, she would be paid the cumulative total of \$2,250 with her February Month-End commission paid on March 15th. That is \$1,000 for achieving Gold Mentor plus \$1,250 for achieving Platinum Mentor.

50% MATCHING RANK ADVANCEMENT BONUS (PAID TO THE ENROLLER)

Qualification Period: September 1, 2018 – December 31, 2019

Q: Who is the Matching Rank Advancement Bonus paid to?

A: The Matching Rank Advancement Bonus is paid to the first qualified Bronze upline following the enrollment tree.

Q: For me to receive the 50% Matching Rank Advancement Bonus, do I have to follow the same HIT and HOLD requirement for those who may achieve the Rank Advancement Bonus and the MMIG Bonus?

A: No. However, you must be paid as a Bronze or above on the month the enrollee HOLDS and RISE qualifications and earns the bonus. The 50% Matching Rank Advancement Bonus will be paid in the same HOLD month.

For instance, Larry is a Three Heart who enrolls Susan in October. Susan grows very quickly and HITS the rank of Gold in December and HOLDS it in January. Susan receives the Rank Advancement bonus and qualifies for the Gold MMIG level in her January Month-End commissions paid on February 15th. Larry must be paid as Bronze or above in January (Susan's HOLD month), to earn the 50% Matching Rank Advancement Bonus.

Q: What if my enroller is not the rank of Bronze or above by the time I qualify for my first Rank Advancement Bonus?

A: The bonus will be paid to the first paid as Bronze or above upline following the enrollment tree.

For instance, Larry is a Three Heart who enrolls Susan in October. Susan HITS the rank of Gold in December and HOLD it in January. Larry is paid as a Three Heart in January. Larry's enroller is Ann who is paid as a Bronze in January. Ann will receive the Matching Rank Advancement Bonus for Susan with her January Month-End commissions paid on February 15th.

MINIMUM MONTHLY INCOME GUARANTEE (MMIG) BONUS

Qualification Period: September 1, 2018 – December 31, 2019

Q: At what rank does the MMIG start paying out?

A: The MMIG begins to pay qualified Silver Mentor through the Servant Leader ranks.

Q: How many months will I be paid the MMIG Bonus at each rank?

A: You can be paid a maximum of six (6) months at each rank. The months do not have to be consecutive months. Once you advance in rank, you move to a higher MMIG and you start a new 6 months with every rank advancement.

For instance, Tiffanie HITS the rank of Silver in October and HOLDS it in November, she is eligible for the MMIG in November. If she qualified as Bronze in December, she would not be paid the MMIG in December. But then in January, she qualifies for Silver again, this would be her second month which means that she has four (4) additional months to earn at the Silver MMIG level. If Tiffanie advances to the rank of Gold in February and HOLDS it in March, she would be paid at the Silver MMIG level in February and at the Gold MMIG level in March.

Q: How is the Minimum Monthly Income Guarantee calculated each month?

A: There are four parts to this answer:

- i. The Minimum Monthly Income Guarantee is a minimum threshold amount a leader can earn. Once

- qualified, this promotion will pay you the difference if your earnings are below the MMIG level at your qualified rank.
- ii. Your total earning is the sum of your weekly and month-end commissions plus any Rank Advancement Bonus including any 50% Matching Bonuses paid to you as the upline Bronze when someone in your group advances in rank and is paid a one-time Rank Advancement Bonus.
 - iii. Due to the overlapping weeks in the Weekly Commissions, the entire week will be grouped bases on the start date of the qualified week. For instance, Weekly Commissions for the week of Monday, October 29th through Sunday, November 4th, will be grouped and calculated with your October earnings.
 - iv. The RISE Promotion will not allow you to earn less than the MMIG threshold in any qualified month!

For instance, Mary HITS Gold Mentor in November and HOLDS it in January. She has earned the Rank Advancement Bonus of \$1,000 in January. Her commissions total \$800 based the Amare Compensation Plan which totals \$1,800 in Total Earnings. The RISE promotion will pay her an additional \$200 to ensure she earns a MMIG of \$2,000 in the month of January. Then, in February she qualifies as Gold again with a Total Earnings of \$1,300, RISE will pay her an additional \$700 to ensure she earns a MMIG of \$2,000 in February. She will continue to earn it for 6 non-consecutive months within the qualification period.

Q: What do I have to do to be eligible for the MMIG for each rank?

A: Just maintain or advance in rank. You will be paid the MMIG for 6 non-consecutive months once you HIT and HOLD a new Rank – beginning at Silver.

Q: Is the one-time Rank Advancement Bonus and the Matching Rank Advancement Bonuses paid in addition to the qualified MMIG level?

A: No, the one-time Rank Advancement Bonus is considered part of the Total Earnings and will count towards the MMIG amount.

Q: What if my MMIG is lower than my actual earnings for any month?

A: You would be paid whichever is the greater.
